

eFront Client Success Story

Firm type: General Partner
Assets Under Management: £2 billion
Geographical Presence: Europe

eFront Invest & eFront Investment Café solutions

Foresight will adopt eFront's flagship product, eFront Invest, as well as eFront's market leading investor relations portal, eFront Investment Café.

eFront's flexible end-to-end solution will allow Foresight's specialist teams to view information across the investment life cycle, using one common platform.

We were looking for a software solution provider who could fully comprehend and cater for our specific needs and eFront's hosted cloud solution fits the bill. We look forward to working with eFront to further streamline our internal information flows and to deliver an ever better reporting experience for our investors."

Gary FRASER, Chief Financial Officer, at Foresight

Key benefits

Flexible end-to-end solution

Integrated platform

Enhanced reporting process

Streamline internal information

Capabilities that Foresight will use include:

- eFront Office, Deal flow
- eFront Investor
- eFront Investment
- Mobile access across all devices
- Fully hosted solution

About Foresight

Foresight is a leading independent infrastructure and private equity investment manager which has been managing investment funds on behalf of institutions and retail clients for more than 30 years. Foresight has over £2 billion of assets under management across a number of funds, including Listed Vehicles, Limited Partnerships, Enterprise Investment Schemes (EISs) and Venture Capital Trusts (VCTs).
