Firm type: General Partner

Assets Under Management: \$4.1 billion

Geographical Presence: Africa

eFront Invest Solution

The implementation project covered all four business lines across Old Mutual Alternative Investment (OMAI). The eFront Invest solution will help OMAI's investment managers capture and control their deal pipeline through a centralized system, offering powerful analysis and portfolio performance tools. As a result, the investment teams will be able to spend more time on evaluation and monitoring.

eFront's solution is an end-to-end operating platform, custom designed for the alternative investment industry. The implementation has enabled us to reduce operational risk, enhance scalability and ultimately have one version of the 'truth'. We believe that we have a platform that will support our rapid growth strategy."

Paul Boynton, Chief Executive Officer at OMAI
