eFront Invest & eFront Investment Café solution

eFront's solutions will enable Estera to offer a powerful and professional service to private equity clients and intermediaries of substantial scale. eFront Invest and eFront Investment Café, will provide a seamless platform for Estera to meet the varying demands of specialist fund structures, incorporating fund administration and accounting, as well as managing investor services and client reporting across private equity, real estate and debt.

“ Investing in eFront's market leading fund administration platform will support the funds offering we have built over the last few years. Our acquisitions of Morgan Sharpe and Heritage in Guernsey as well as Headstart and Allegro in Luxembourg have really put us on the fund admin map. Now we are further investing in our fund admin capabilities with eFront so that we can further enhance the high level of service that our clients receive from us.”
